TERMINAL DISCLAIMER

Assistant Commissioner for Patents
Washington, D.C. 20231

Petitioner, Bayer Corporation, is the owner of 100% interest in the instant Application. The assignment from the inventors of the Application identified above was recorded in the Patent and Trademark Office at Reel 011426, Frame 0912.

Petitioner hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the Application which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. §§ 154 to 156 and § 173 as shortened by any terminal disclaimer filed prior to the grant of any patent granted on United States Patent Nos. 6,211,324 and 6,166,166 and hereby agrees that any patent so granted on the above-identified Application shall be enforceable only for and during such period that the legal title to said patent be the same as the legal title to the above-referenced application or patent, this agreement to run with any patent granted on the above-identified application and to be binding upon the grantee, its successors or assigns.

In making the above disclaimer, Petitioner does not disclaim the terminal part of any patent granted on the instant Application that would

extend to the expiration date of the full statutory term as defined in 35 U.S.C. §§ 154 to 156 and §173, as presently shortened by any terminal disclaimer, of the above-referenced Application in the event that it later expires for failure to pay a maintenance fee, is held unenforceable, if found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. § 1.321, has all claims cancelled by a re-examination certificate, is reissued, or is otherwise terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer filed prior to the grant of the patent.

The undersigned has reviewed all the evidentiary documents accompanying or referred to in the instant Terminal Disclaimer and it is certified to the best of the undersigned's knowledge and belief that title is in the Petitioner identified above.

The undersigned (whose title is supplied below) is empowered to act on behalf of the Petitioner.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of United States Code and that such willful false statements may jeopardize the validity of the Application or any patent issued thereon.

Signed in Pittsburgh, Pennsylvania, this 8th day of February, 2002.

Respectfully Submitted,
